ABOUT EETA

The Academy is considered the capstone project of the new Clean Tech Innovation Center (CIC). The CIC is a public-private organization aimed at driving the transformation of the North State region into a world-recognized center of excellence in clean technology and alternative energy.

OUR FACILITIES

EETA, a new facility launched by the Community Action Agency of Butte County, has incorporated hands-on state-of-the-art laboratories and SMART classroom technology to enhance the energy efficiency learning experience.
