23	\$9,025.87	\$18,793.33
24	\$9,173.83	\$19,550.00
25	\$9,321.80	\$20,306.67

Certain things like health insurance premiums can be deducted from your monthly income helping you qualify.

Some other sources of income like foster care are not countable towards your max monthly income so make sure you call and talk to an eligibility specialist.
