Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Community Action Agency of Butte County, Inc. and Subsidiary, which comprise the consolidated statements of financial position as of December 31, 2023 and 2022, and the related consolidated statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, based on our audits and the report of other auditors, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Community Action Agency of Butte County, Inc. and Subsidiary as of December 31, 2023 and 2022, and the result of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America (GAAP).

We did not audit the financial statements of CAA North Point Chico, LP, a majority owned subsidiary, which statements reflect total assets of \$7,252,935 and \$7,461,225, as of December 31, 2023 and 2022, respectively, and total revenues of \$537,231, and \$501,351, respectively, for the years then ended. Those statements were audited by other auditors whose report has been furnished to us, and our opinion, insofar as it relates to the amounts included for CAA North Point Chico, LP, is based solely on the report of the other auditors.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Community Action Agency of Butte County, Inc. and Subsidiary and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions. The financial statements of CAA North Point Chico, LP were not audited in accordance with *Government Auditing Standards*.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Action Agency of Butte County, Inc. and Subsidiary's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated
 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that
 are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Community Action Agency of Butte County, Inc. and Subsidiary's internal control.
 Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Community Action Agency of Butte County, Inc. and Subsidiary's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, the consolidating statement of financial position, the consolidating statement of activities, and the Supplemental Statements of Revenue and Expenditures as required by the State of California Department of Community Services and Development (CSD) are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information, including the consolidating statement of financial position and the consolidating statement of activities, which insofar as it relates to CAA North Point Chico, LP, is based on the report of other auditors, is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

The supplemental statements of revenue and expenditures for CSD contracts contain information regarding previous years' expenses and are presented for purposes of additional analysis. Such information is the responsibility of management and was derived from and relates to the underlying accounting and other records used to prepare the December 31, 2022, consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of those additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other procedures in accordance with GAAS. In our opinion, the prior year expenses included on the supplementary schedules are fairly presented, in all material respects, in relation to the consolidated financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 27, 2024, on our consideration of Community Action Agency of Butte County, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Agency of Butte County, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Agency of Butte County, Inc.'s internal control over financial reporting and compliance.

Note 1: Summary of Significant Accounting Policies

Nature of Operations

Community Action Agency of Butte County, Inc. (the "Organization") is a nonprofit corporation dedicated to the promotion of self-sufficiency and the alleviation of poverty. The food and nutrition program offers surplus food distribution and other food bank and emergency services in a six-county region. The energy program provides home weatherization, housing rehabilitation, and utility assistance. The Organization operates a unique facility providing shelter and essential and outpatient services for homeless families seeking self-sufficiency. The Organization also participates in financial literacy education, low-income tax preparation assistance, homeless prevention services, and disaster recovery assistance. Approximately 38% and 47% of total revenue was provided from the State of California Department of Community Services and Development under Energy/Weatherization and Community programs during 2023 and 2022, respectively.

The Organization owns 79% of CAA North Point Chico, LLC (North Point). The purpose of North Point is to participate in low-income housing tax credit projects to assist low-to moderate-income families with affordable housing. North Point is the general partner of CAA North Point Chico, LP (the "Partnership") where Community Action Agency of Butte County, Inc. has the option of right of first refusal to acquire the Partnership and has determined that it appears to be prudent and feasible that they will exercise that option at the end of the compliance period.

The Partnership was formed as a limited partnership under the laws of the State of California on July 10, 2012, for the purpose of acquiring, holding, investing in, constructing, rehabilitating, developing, improving, maintaining, operating, leasing and otherwise dealing with a residential rental housing project (the "Project"). The Project commenced operating on July 16, 2013, and consists of 50 units located in Chico, California. The Project is currently operating under the name of North Point Apartments.

The partnership agreement was amended and restated on July 10, 2012 (the "partnership agreement"), from which date the Partnership consists of a general partner, CAA North Point Chico, LLC, which owns 0.01%, one special limited partner, Michel Properties, LLC, which owns 0%, and one investor limited partner, Countryside Corporate Tax Credits XXI, LP, which owns a 99.99% interest. All profits, losses and credits, except those gains and losses referred to in Section 7.1.2 of the partnership agreement, shall be allocated to the partners in accordance with their percentage interests.

The partnership agreement provides that the Partnership shall continue in existence until December 31, 2082, unless sooner dissolved and terminated by provisions of the partnership agreement or by operation of law.

The financial statements of the Partnership have been consolidated in accordance with the consolidation guidance contained in Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) No 2017-02, Not-for-Profit Entities - Consolidation (Subtopic 958-810): Clarifying When a Not-for-Profit Entity That Is a General Partner or Limited Partner Should Consolidate a For-Profit Limited Partnership or Similar Entity.

Note 1: Summary of Significant Accounting Policies (Continued)

Consolidated Financial Statements

The consolidated financial statements include the accounts of Community Action Agency of Butte County, Inc. and the Partnership. All material inter-entity transactions have been eliminated. Collectively, the entities are referred to as the "Organization".

Basis of Presentation

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Classification of Net Assets

Net assets and revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- Net assets without donor restrictions are the net assets of the Organization that are not subject to donorimposed stipulations. The governing board has designated for specific use, from net assets without donor restrictions, reserve funds, and property and equipment.
- Noncontrolling interest is the net assets attributable to noncontrolling interest that represents the equity interest of outside owners of the Partnership. These interests are reported as separate components of the Organization's net assets.
- Net assets with donor restrictions are those whose use by the Organization has been limited by donors to a
 specific time period or purpose. Other explicit donor-imposed restrictions are perpetual in nature, where the
 donor stipulates that resources be maintained in perpetuity. When a restriction is met or expires, net assets
 with donor restrictions are reclassified to net assets without donor restrictions and reported in the
 consolidated statements of activities as net assets released from restrictions.

Use of Estimates

The preparation of the consolidated financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements and reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Note 1: Summary of Significant Accounting Policies (Continued)

Revenue Recognition

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identification of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met

Conditional contributions are recognized when the barrier(s) to entitlement are overcome. Unconditional contributions are recognized as revenue when received.

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized.

Rental income consists of tenant leases related to the rental property reported in Note 17. Tenant leases are typically for 12 months or less, do not include extension options and are classified as operating leases. Operating lease revenue is recognized as rental revenue over the term of the lease. Advance receipts, if any, are deferred and classified as prepaid rents until earned.

Commodities represent food that is received and valued using a price per pound based on an annual product valuation survey conducted.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

A. Grant Awards That Are Contributions

Grants that qualify as contributions are recorded as invoiced to the funding sources in accordance with the terms of the award. Revenue is recognized in the accounting period when the related expenses are incurred. Amounts received in excess of expenses are reflected as refundable advances.

Note 1: Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

B. Grant Awards That Are Exchange Transactions

Exchange transactions are reimbursed based on a predetermined rate for services performed in accordance with the terms of the award. Revenue is recognized when control of the promised goods or services is transferred to the customer (grantor) in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Amounts received in excess of recognized revenue are reflected as a contract liability. The Organization does not have any grant awards that are exchange transactions.

In-Kind Contributions

The Organization has recorded in-kind contributions in the consolidated statements of activities in accordance with a financial accounting standards which requires only contributions of services received that create or enhance a nonfinancial asset or require specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by donation be recorded.

In accordance with accounting standards, the Organization has recorded in-kind contributions for professional services in the consolidated statements of activities. Nonprofessional in-kind of \$7,898 during 2023 and \$15,552 during 2022, is not recorded on the consolidated financial statements as it does not meet the criteria for recognition. These amounts consist mainly of nonprofessional volunteer time in the Esplanade House and Food programs. The Organization received contributions of nonprofessional volunteers and consultants with an indeterminable value, primarily for its rental housing program, which are not recorded in the consolidated statements of activities.

Cash and Cash Equivalents

The Organization considers all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

Grants Receivable

Grants receivable consist primarily of reimbursements received as part of programs operated by the Organization. Amounts are reviewed for collectability by management and an allowance for doubtful accounts is recorded as needed based on collection history and customer attributes. The Organization writes off the receivable against the allowance when all collection efforts have been exhausted. There was no allowance of uncollectible accounts as of December 31, 2023 and 2022, respectively.

Note 1: Summary of Significant Accounting Policies (Continued)

Accounts Receivable

Accounts receivable consist primarily of miscellaneous refunds, fees, and credits. The carrying amount of accounts receivable is reduced by an allowance that reflects management's best estimate of the current expected credit losses. The estimate of the allowance for credit losses is based on an analysis of historical loss experience, current receivables aging, and management's assessment of current conditions and expected changes during a reasonable and supportable forecast period. Management assesses collectability by pooling receivables with similar risk characteristics and evaluates receivables individually when specific customer balances no longer share those risk characteristics.

Prior to 2023, the carrying amount of accounts receivable were reduced by an allowance that reflected management's best estimate of the amounts that would not be collected based on prior collection experience and specific customer attributes.

Management expects to collect all receivables and did not consider an allowance for credit losses necessary for accounts receivable as of December 31, 2023 and 2022.

Inventories and Work in Progress

Materials inventory consists of weatherization materials for use in the Organization's weatherization program. Inventories as of December 31, 2023 and 2022, are stated at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predictable costs of completion, disposal, and transportation. Weatherization materials are expensed in the accounting period when the unit weatherized is claimed as a completed unit. A completed unit is a dwelling unit, which has received weatherization services within the limits established in the weatherization contract for which the final inspection has been performed and the owner sign-off has been obtained.

Work in progress represents the labor and materials for in progress weatherization jobs. Work in progress is stated at the lower of cost or net realizable value.

Also included in inventories is the balance of commodity foods inventory. Commodity foods are granted to the Organization from the State of California and then distributed to eligible participants based on program criteria. Inventory on hand at the end of the year is stated at cost to the State of California. The amount of inventory on hand at December 31, 2023 and 2022, is also reported as an advance in accordance with the revenue recognition policy. Revenue for commodity food on hand is earned when distributed.

Property and Equipment

Property and equipment are capitalized at cost or, if donated, at fair value on the date of donation. Depreciation is provided for using the straight-line method over the estimated useful life of the asset. Estimated useful lives are three years for equipment and vehicles and range from 15 to 40 years for buildings and land improvements. The Organization considers items with a cost greater than \$5,000 and a useful life greater than one year to be property and equipment.

Note 1: Summary of Significant Accounting Policies (Continued)

Property and Equipment (Continued)

Property and equipment purchased with grant funds are owned by the Organization while used in the program for which they were purchased or in other future authorized programs. However, some funding sources have a reversionary interest in the property and equipment purchased with grant funds. Their disposition, as well as the ownership of any proceeds, is subject to funding source regulations. The net book value of grant-funded property and equipment included on the consolidated statements of financial position is \$2,715,928 and \$2,522,141 at December 31, 2023 and 2022, respectively.

Impairment of Long-Lived Assets

The Organization reviews its property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss has been recognized during the years ended December 31, 2023 and 2022.

Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statements of activities and in the consolidated statements of functional expenses. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Salaries and payroll taxes and benefits are allocated based on time and effort. Occupancy and related costs are allocated based on square footage.

ASC 842 Lease Accounting

The Organization is a lessee in multiple noncancelable operating leases. If the contract provides the Organization the right to substantially all the economic benefits and the right to direct the use of the identified asset, it is considered to be or contain a lease. Right-of-use (ROU) assets and lease liabilities are recognized at the lease commencement date based on the present value of the future lease payments over the expected lease term. The ROU asset is also adjusted for any lease prepayments made, lease incentives received, and initial direct costs incurred.

The lease liability is initially and subsequently recognized based on the present value of its future lease payments. Variable payments are included in the future lease payments when those variable payments depend on an index or a rate. Increases (decreases) to variable lease payments due to subsequent changes in an index or rate are recorded as variable lease expense (income) in the future period in which they are incurred.

The Organization has elected to use a risk-free rate for a term similar to the underlying lease as the discount rate if the implicit rate in the lease contract is not readily determinable.

Note 1: Summary of Significant Accounting Policies (Continued)

ASC 842 Lease Accounting (Continued)

The ROU asset for operating leases is subsequently measured throughout the lease term at the amount of the remeasured lease liability (i.e., present value of the remaining lease payments), plus unamortized initial direct costs, plus (minus) any prepaid (accrued) lease payments, less the unamortized balance of lease incentives received, and any impairment recognized. For operating leases with lease payments that fluctuate over the lease term, the total lease costs are recognized on a straight-line basis over the lease term.

For all underlying classes of assets, the Organization has elected to not recognize ROU assets and lease liabilities for short-term leases that have a lease term of 12 months or less at lease commencement and do not include an option to purchase the underlying asset that the Organization is reasonably certain to exercise. Leases containing termination clauses in which either party may terminate the lease without cause and the notice period is less than 12 months are deemed short-term leases with lease costs included in short-term lease expense. The Organization recognizes short-term lease cost on a straight-line basis over the lease term.

The Organization made an accounting policy election for all underlying classes of assets to not separate the lease components of a contract and its associated non-lease components.

Income Taxes

Community Action Agency of Butte County, Inc. is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code (the "Code") and is exempt from federal income taxes on related income pursuant to Section 501(a) of the Code.

CAA North Point Chico, LLC is organized as a limited liability company and is treated as a partnership for income tax reporting.

The Organization is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the consolidated financial statements. The Organization has determined there are no amounts to record as assets or liabilities related to uncertain tax positions.

Deferred Financing Costs

Tax credit monitoring fees totaling \$25,187 are being amortized over the compliance period using the straight-line method. As of December 31, 2023 and 2022, accumulated amortization was \$17,560 and \$15,881, respectively.

Amortization expense for the years ended December 31, 2023 and 2022, is \$1,679, respectively.

Note 1: Summary of Significant Accounting Policies (Continued)

Debt Issuance Costs

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the mortgage loan payable to which such costs relate. The Organization is amortizing these fees into interest expense using the straight-line method, which approximates the effective interest method. As of December 31, 2023 and 2022, debt issuance costs, net of accumulated amortization, was \$118,120 and \$124,164, respectively.

Amortization expense for the years ended December 31, 2023 and 2022, is \$6,044, respectively.

Accounting Pronouncement Adopted

Accounting Standards Update (ASU) No. 2016-13, Measurement of Credit Losses on Financial Instruments, requires the Organization to present financial assets measured at amortized cost (including accounts receivables) at the net amount expected to be collected over their remaining contractual lives. Estimated credit losses are based on relevant information about historical experience, current conditions, and reasonable and supportable forecasts that affect the collectability of the reported amounts.

The Organization adopted ASU No. 2016-03 on January 1, 2023. The net impact to net assets would have been immaterial, thus no adjustment was made to net assets.

Subsequent Events

Subsequent events have been evaluated through September 27, 2024, which is the date the consolidated financial statements were available to be issued.

Note 2: Liquidity and Availability of Financial Resources

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the consolidated statement of financial position date, comprise the following as of December 31:

	2023	2022
Cash and cash equivalents	\$ 1,907,414 \$	1,274,570
Grants receivable	1,314,689	956,609

Less: Net assets with donor restrictions	(889,843)	(122,562)
Totals	\$ 1,404,798 \$	1,281,966

Note 2: Liquidity and Availability of Financial Resources (Continued)

The Organization does not have a formal liquidity policy but generally maintains financial assets in liquid forms such as cash and cash equivalents. The Organization can rely on a lower cash balance as it is primarily funded with cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred, an organization can request reimbursement from the funding source. In addition, the Organization has available a line of credit further described in Note 16.

Note 3: Concentration of Credit Risk

Note 9: Leases

The Organization leases various office equipment and vehicles. The majority of leases entered into include one or more options to renew. The renewal terms allow the option to continue month to month for an unlimited period of time. The exercise of lease renewal options is at the Organization's sole discretion. Renewal option periods are included in the measurement of the ROU asset and lease liability when the exercise is reasonably certain to occur.

The depreciable life of assets and leasehold improvements are limited by the expected lease term, unless there is a transfer of title or purchase option reasonably certain of exercise.

The Organization's lease agreements do not contain any material residual value guarantees or material restrictive covenants. Payments due under the lease contracts include fixed payments plus, for many of the Organization's leases, variable payments. The Organization's leases require it to make variable payments for the Organization's maintenance on the office equipment or of the vehicles. These variable lease payments are not included in lease payments used to determine the lease liability and are recognized as variable costs when incurred.

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Community Action Agency of Butte County, Inc. and Subsidiary, which comprise the consolidated statement of financial position as of December 31, 2023, and the related consolidated statement of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 27, 2024. The financial statements of CAA North Point Chico, LLC was not audited in accordance with *Government Auditing Standards*, and accordingly, this report does not include reporting on internal control over financial reporting or instances of reportable noncompliance associated with CAA North Point Chico, LLC.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Community Action Agency of Butte County, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Community Action Agency of Butte County, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Community Action Agency of Butte County, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is reasonable possibility that a material misstatement of Community Action Agency of Butte County, Inc.'s consolidated financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiency in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as item 2023-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Community Action Agency of Butte County, Inc.'s consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Community Action Agency of Butte County, Inc.'s Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on Community Action Agency of Butte County, Inc.'s response to the finding identified in our audit and described in the accompanying schedule of findings and questioned costs. Community Action Agency of Butte County, Inc.'s response was not subjected to the other auditing procedures applied in the audit of the consolidated financial statements and, accordingly, we express no opinion on the response.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Community Action Agency of Butte County, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Community Action Agency of Butte County, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program and on Internal Control Over Compliance Required by the Uniform Guidance

Board of Directors Community Action Agency of Butte County, Inc. and Subsidiary Chico, California

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited Community Action Agency of Butte County, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended December 31, 2023. Community Action Agency of Butte County, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Community Action Agency of Butte County, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Community Action Agency of Butte County, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of Community Action Agency of Butte County, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Community Action Agency of Butte County, Inc.'s federal program.

Auditor's Responsibility for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Community Action Agency of Butte County, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Community Action Agency of Butte County, Inc.'s compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
 perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
 evidence regarding Community Action Agency of Butte County, Inc.'s compliance with the compliance
 requirements referred to above and performing such other procedures as we considered necessary in the
 circumstances.
- Obtain an understanding of Community Action Agency of Butte County, Inc.'s internal control over
 compliance relevant to the audit in order to design audit procedures that are appropriate in the
 circumstances and to test and report on internal control over compliance in accordance with the Uniform
 Guidance, but not for the purpose of expressing an opinion on the effectiveness of Community Action
 Agency of Butte County, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Condition

At the time of fieldwork, Community Action Agency of Butte County, Inc. had not reconciled and adjusted a number of accounts such as fixed assets, grants receivable/revenue and refundable advances in preparation for the audit. The lack of timeliness had an impact on the year end close process and Community Action Agency of Butte County, Inc.'s ability to prepare the consolidated financial statements. Cause

Community Action Agency of Butte County, Inc. did not perform appropriate year end processes and procedures to ensure all accounts were accurately reconciled in a timely manner.

Effect
